High Level Segment

The High Level Segment will convene at 15.00 on Thursday 28 September and close at 13.00 on Friday, 29 September. The High Level Segment includes Closed Ministerial Roundtables on Thursday afternoon from 16.00 to 17.30 and a High Level Panel entitled Uniting for Minamata from 18:15 to 19:30.

Thematic Sessions

Three Thematic Sessions (90 min) will be convened to focus discussions on mercury as relevant to Land, Air and Water. The outcomes of these interactive discussions will be forwarded to the Ministerial Roundtables that will discuss all three themes as background to the Ministers' discussions.

Other Events

A number of events will take place on the side of the meeting of the Conference;

1. **MIA (Minamata Convention Initial Assessment) Clinics** (90 min) where countries with UNEP, UNDP and UNIDO and partners showcase their MIA work, including lessons learned.
2. **Show Case Events** (90 min) where stakeholders can showcase activities that have supported the ratification and early implementation of the convention.
3. **Knowledge Labs** (45 min) on the life cycle of mercury and the Minamata Convention.
4. **Exhibitions** throughout the week.
